

BATHROOM BUYING GUIDE

American Standard

Your Style, Your Way

The Collections

American Standard is proud to offer a wide range of collection of stylish bathroom designs from modern and trendy to classic and timeless. We have collaborated with world-renowned designers that come up with uniquely designed Collections that suit the discriminating preference of the market.

Each Collection offers the unique perspective of the designer that can address the needs and preference of the consumer – be it a fusion of Asian modern and traditional approach that can be seen in the Acacia collection or the enticing urban cosmopolitan lifestyle of the La Vita collections. The Tonic and IDS collections are infused by the style of Scandinavian designers that fit the lifestyle of the young and active professionals.

The Concept collection invokes strong simple lines providing a contemporary look that can fit any bathroom while subtle combination of curves, soft squares, and ovals provide a sense of harmony that is seen in the Active + Activa collection.

American Standard partnered with internationally recognized designers who created a range of fully integrated Bathroom Collections. The designs are delivered by Ronen Joseph, Achim Pohl, Tomas Feigl, Franco Bertoli, and Khumtong Jansuwan. Their experience includes the Red Dot Award, Design Plus Award, and IF Product Design Award.

The Designers

ections that appeal to the different personalities and sophisticated tastes of our consumers. These superior ward-winning de-
nd talent have allowed us not only to develop great products, but also to win 17 global awards in the past years like the Red

Our Design Philosophy

Stylish design innovation and green technology that creates utility, add value, and a touch of personality in your bathroom.

American Standard introduced the “Your Style, Your Way” concept that focuses on the design philosophy of transcendental innovation, comfort of body and mind, and “green” technology. All these considerations, together with the contribution of our world-renowned designers, made American Standard the choice in countless leading projects worldwide.

The superior design of leading international designers have garnered American Standard numerous global awards in the past years.

IDS Collection

Ideal Design Solutions (IDS) is the leading work of designers Achim Pohl and Tomas Feigl from Europe's world-renowned design house, Artefakt.

Their core philosophy - every product must blend with the home environment and the lifestyle of the homeowner with simplicity, sensuality, and consistency. Each product in the IDS Collection is designed to be self-integrated as part of a whole, crafted to be well-balanced between form and function, and accepted far beyond cultural boundaries.

La Vita Collection

Renowned Italian lifestyle designer Ronen Joseph designed the La Vita to enable nature lovers create a natural-looking paradise inside their own bathrooms. Joseph looked at the distinctive geometry of Mother Nature to imitate its lines and trims in order to create the collection.

With modern, natural style and green technology in mind, the centerpiece of La Vita is a one-piece full-skirt water closet with a protective anti-bacterial ceramic glaze, a breakthrough technology from American Standard.

Acacia Collection

The Acacia bathroom offers a unique fusion of design, blending the emotional characteristics of the east with the natural sensibilities of the west. This magnificent creation of grace and tranquility reflects the consumer's excellent taste.

International designer Khumtong Jansuwan uses simplicity in color and contemporary design in the water closets, bathroom faucets and accessories to enhance the glamour and charm of Acacia.

Active + Activa Collection

The Active + Activa Collection embody a subtle combination of curves, soft squares, and ovals which provides a sense of harmony and balance to your bathroom. Aesthetically pleasing, the volume of each piece is designed to perfection by Achim Pohl and Tomas Feigl that earned them the prestigious Red Dot Award and IF Award for best-designed products.

Every element, from fittings to toilet, is beautifully proportioned to offer a perfect design allowing for a more personalized environment.

Care and Maintenance

To keep your new American Standard aesthetically beautiful and fully functional, please follow these simple care instructions:

Step 1: Rinse non-electronic components with clear water.

Step 2: Dry the components with a soft cotton cloth.

Regular cleaning will reduce the need for heavy cleaning and polishing. However, if heavy cleaning is required, the following procedure is recommended.

Step 1: Remove as much surface dirt and film on non-electronic components using clear water and soft cotton cloth.

Step 2: Use any of the following to remove tough surface film and build-up:

- Mild liquid detergents
- Clear liquid glass cleaners
- Non-acidic and non-abrasive liquid or fully dissolved powder cleansers mixed according to manufacturer's directions
- Non-abrasive cloths and paper towels

American Standard values your comments and suggestions. Please feel free to share your experiences with our products and services by contacting us at:

Warranty

LOCAL LIMITED WARRANTY CERTIFICATE

American Standard warrants a plumbing product to be free from defects in materials and workmanship for a corresponding number of years as shown in the table below:

Vitreous China	
Ceramics/Chinaware (except for old models discontinued from production)	*Lifetime Warranty
Tank Fittings	14 months Warranty
Brass Fittings	
Ceramic Disc Valve	Lifetime Warranty
Ceramic Disc Valve (ISS, AMM, WIL, ARR & RIO models only)	3 years Warranty
Body and Handle	2 years Warranty
Rubber Parts	14 months Warranty
Accessories and Sensors	14 months Warranty
Tub and Wellness	
Acrylic	14 months Warranty
Whirlpool Parts	14 months Warranty

If this American Standard plumbing product is found defective after inspection, American Standard will repair or, at its option, exchange the product for a similar model. This warranty is applicable if American Standard:

- (a) Has been notified of the defect
- (b) Will be provided with either the official receipt or the warranty card within the period from the date of delivery and acceptance of the product.

*Lifetime means the period within which the product / parts concerned have not been discontinued from the production.

This limited warranty is applicable only to American Standard products purchased from American Standard Philippines Limited Co. or accredited dealers. In the event of a warranty claim, a proof of purchase will be required.

WARRANTY LIMITATIONS

1. This limited warranty does not include the following:
 - a. Defects or damages arising from shipping, installation, alterations, accidents, abuse, misuse, lack of proper maintenance and use of other genuine American Standard replacement parts, in all cases whether caused by plumbing contractor, service company, the owner or any other person
 - b. Defects or damages due to unreasonable use or product
 - c. Deterioration through normal wear and tear
 - d. Expense of normal maintenance – periodic replacement of washers, seals, etc
 - e. Old products / models discontinued from production
2. External and replacement accessories other than American Standard products are not subject to warranty.
3. This limited warranty does not apply to local building code compliance. Since the building codes vary considerably, the purchaser of this product should check with a local building or plumbing contractor to insure local code compliance before installation.
4. Option to repair or exchange the product under this limited warranty does not cover any labor or any other costs of removal or installation including but not limited to tiles and marbles, etc.
